Subject - Promotions in the gazetted ranks of the Electrical Department

Dear Mr Hegath,

~~Sir~~,

With reference to your letter No. 4075 dated the 31st May 1945 on the above subject I ~~have~~ am to ~~the honour~~ obtain ~~State~~ as follows:

(1.) Next to Mr B.V. Sekachar comes Mr. D.G. Kesava Rao who is in grade Rs 200-20-300. He has to be given the grade of Rs 200-25-350 ~~effective~~ B. instead of Mr P.A. Gordon as proposed in the list

(ii) The promotion of Sri K. Ramaswamiengar was overlooked in 1945 (P. vide your letter No 4074 dated 25-th May 1945 giving reference to your previous letter No 3805 dt 9.8.43) Actually in 1943, you-have proposed his promotion in the list vide your No 3805-6 dated 9-8-43. But in the revised list submitted in 1945, his name was excluded without reasons. But now, his name is included for promotion to Junior Engineers cadre. By this Sri K. Ramaswamiengar seems to have lost several places. I am to request you kindly to offer your remarks on the above-mentioned points at a very early date.

Yours faithfully

BANGALORE
Rec'd No. 1343
Date 2-2-1946

Dear Mr. Joshi,

SUBJECT:- Promotions in Gazetted ranks of Electrical Department.

Adverting to your D.O.No.EDS.1512 dated 22nd January 1946 on the above subject, I write to inform you as follows:-

1) Mr. I. G. Kesava Rao is, of course, next in the order of seniority to Mr. B. V. Seshachar in the cadre of Assistant Superintendents. But Mr. P. A. Gordon is senior to Messrs. B.V. Seshachar and I.G.Kesava Rao in the cadre of Junior Engineers as can be seen from the gradation list. The latter officers were promoted as Assistant Superintendents in view of their technical qualifications and administrative ability which - Mr. Gordon lacks. This deficiency, however, is no bar for his promotion as Station Superintendent because promotions to posts of Station Superintendent have to be regulated with reference to the detailed knowledge and experience of the officers regarding the Plant and Machinery, as distinguished from the ability to operate the machinery in a routine manner which quite a large number of operators and junior engineers who have worked in the generating stations possess.

2) As regards the omission of the claim of Mr.K.Ramaswami Iyengar for promotion as Junior Engineer on former occasions, I wish to state that he was transferred from Bangalore to Sivasamudram with a view to put him in charge of the duties of a Junior Engineer and recommend his case for promotion. But, he refused to leave Bangalore then, and hence, his case was passed over, as no suitable place was available in Bangalore itself to promote him as a Junior Engineer. A place having now arisen in Bangalore against which he could be promoted, his claims have been restored and his case recommended for promotion. I have personally intimated the officer of the implications and effects of his refusal to leave Bangalore on the previous occasion, and he has, inevitably, accepted to take the consequences. Thus, the loss of place referred to, in your letter is due to the party himself. A copy of his representation dated 23-4-1945 in this behalf is herein enclosed for the information of Government.

Under these circumstances, I would request you kindly to obtain approval of Government to the promotions proposed in my letter No.4075 dated 31-5-1945.

Yours sincerely,

M. Hayath

Respected Sir,

Referring to my last application submitted during 7th February 1944, representing my personal affairs and ~~re~~-requesting for retention at Bangalore, I beg to submit this present appeal for your kind reconsideration.

I was transferred to Sivasamudram, vide letter No.CPS. 1501-4/dated 21-7-1943 and 2537-40 of 3-8-43 respectively and at my personal request, you were kind enough to order my retention and consequently I had to forego my claim for promotion to the next higher grade owing to my family inconveniences.

Your personal assurance, that my future prospects would not be jeopardised in case I was prepared to go out of Bangalore had sustained me with hopes to approach you now, offering my services to be utilised anywhere in the department, with due regard to my service benefits.

Being given to understand that there are vacancies in higher grades, I beg to request you to kindly reconsider my case for promotion, and I shall assure you of giving due satisfaction in discharging my duties.

For which act of kindness I shall ever feel grateful.

Thanking you, Sir,

I beg to remain,
